

A Public Lecture at ILCAA

# From Documentation to Revitalization with the Malays of Sri Lanka

**Prof. Umberto Ansaldo**  
(The University of Hong Kong)

16:00-17:30, 20 May (Wed)  
Room 304, ILCAA, TUFS

This seminar presents a retrospective on a documentation project conducted in the Malay community of Sri Lanka between 2003 and 2009. The speaker revisits the phases of engagement and the different challenges they presented, and reflects on the relationship between documentation and revitalization, and its complex impact on the community.
